

STEM Engineering Challenge

(Ages 7-12) Drop off your future engineers and creative inventors at Sterling Community Center for the STEM Engineering Challenge! Program participants must utilize the scientific method and a creative mindset to think outside the box and solve the month's challenge. The challenge prompt will be announced at the beginning of each session, and participants will have one hour to brainstorm, design, and create a solution to the problem presented. Parents are welcome to return 30 minutes before the end of class to watch the participants give a demo of how their invention addresses the challenge, and propose ideas and thoughts for future builds of their inventions. Pre-registration is required.

303216-01	Tue	3/3/15	6:30-8:00 p.m.	\$10.00
303216-02	Tue	4/7/15	6:30-8:00 p.m.	\$10.00
303216-03	Tue	5/5/15	6:30-8:00 p.m.	\$10.00
